Mizoram is a mountainous state nestling in the southern tip of the north-east region of India. Mizoram remains an exotic location sharing more than one-third of its boundary with Bangladesh and Myanmar. Mizoram has a moderate and pleasant climate throughout the year, and is idyllic land of great natural beauty having rich variety of flora and fauna. It has scenic landscapes of bluish mountains, steep rocky cliffs, serene lakes and deep valleys of gurgling streams plunging down sheer drops to form spectacular waterfalls

Aizawl, a beautiful city, the capital of Mizoram is situated at about 1132 metres above sea level. It is set on ridges of steep hills overlooking the valley of the River Tlawng in the west and River Tuirial in the east and south. The picturesque and peaceful city also commands exotic landscape of verdant hills stretching away to the horizon. Being the state capital, Aizawl is also the political and cultural center of Mizoram.

Mizoram is linked with the rest of the country by air and road transport. Aizawl, the capital of Mizoram can be reached by flights from Kolkata, Delhi, Gauhati, Shillong, Agartala and Imphal and by the National Highway 54 via Silchar.
